Three tries from Chris Grabowski, two from William Padison and tries from Tom Michell, Kit Murray and Alex Macdonald clinched the Oxfordshire U15 Cup for Shiplake on a cold evening under the Banbury floodlights last Wednesday. Alex Macdonald kicked six out of seven conversions.

"It was a much closer match than it sounds. Wallingford played extremely well and could have scored several times. Tactically, I think we played a game better suited to the bitterly cold conditions," said Shiplake coach Paul Johnson. "Although he didn't cross the try line, James Bailey was outstanding."

The coach has his eyes fixed on the U14s coming through for next year. "You never know, we might do it again next year."
